

triple j's One Night Stand is coming to Lucindale, South Australia

So mark the date: Saturday, 14 September, 2019 and get ready to be entertained at the Lucindale Oval. Gates open at 3.30pm and the concert finishes at 9.30pm.

What is triple j and the One Night Stand?

One Night Stand is a concert hosted in a regional town that doesn't always have the opportunity to support or host live music. It is promoted and organised by national radio station triple j.

triple j brings big name Aussie bands with artists announced for this year's event including: Hilltop Hoods, Meg Mac, Ocean Alley and G Flip. A local artist will get to open the event via the triple j Unearthed competition. The concert will be televised on ABC and streamed live on triple j.

The concert is:

- a drug and alcohol free event
- free admission, a gold coin donation is encouraged, with all donations supporting the Lucindale Community pool and the Limestone Coast Leadership Program
- at the Lucindale Oval
- for all ages - the target audience is 18-25 but there will be a mix of families and older ages as well
- expected to attract up to 25,000 people

The concert has been going for 15 years and is always well attended. This will be the third time that South Australia has hosted the concert and Lucindale is the smallest regional town ever selected.

How you can be involved

From Friday to Monday, Lucindale will be busy - it will be like the South East Field Days but with a major influx of people on Saturday 14 September.

With anticipated numbers to be up to 25,000 people, there are opportunities for local businesses and community groups to leverage off the increased economic activity.

It is up to you to make the most of this opportunity in a way that best suits you, your business, your community group and capabilities.

Background

The One Night Stand 2019 is the culmination of a community campaign to bring the event to Lucindale which commenced in 2013 with the establishment of the Lucindale One Night Stand Facebook page.

The original committee included Daniel Ryan, Tim Williams, Hayley Miller, Louise Stock, Charlie Riggs, Kate Rayner and Adrian Maywald.

Over the years Lucindale's passion for getting the One Night Stand up and running was not lost on Lachlan Macara, the triple j content director.

In May 2019, triple j contacted the Naracoorte Lucindale Council to advise that Lucindale had been shortlisted as a potential host town for 2019. Up until Lucindale was announced as the host town on 27 June, Council and others involved in pitching to triple j were under strict instructions to keep all information in relation to the One Night Stand confidential. We are now working through the event planning so stay tuned for further updates.
